Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: It was agreed that paragraph 4A of the Office action mailed April 6, 2007, explained the reason for the different grouping of claims with respect to the Office action mailed October 4, 2006. Further, Agt. Tise noted and the Examiner agreed that the obviousness-type double patenting rejection of claim 25, at paragraph 11 of the Office action mailed April 6, 2007, should be non-provisional as the rejection is in view of two issued patents. The Examiner agreed.
